Dear Ursula von der Leyen,

Dear Kyriakos Mitsotakis,

Dear Stamatis Daskopoulos,

It has been established there are communications to me from ECP Juncker in December 2015 and EC Health official Michael Hubel concerning the prosecutor probes in Greece opened in 2015 and the massive violations.

It has been established these communications and probes refer, broadly speaking to the swine flu vaccine scandal of 2009 (which resulted in an inquiry), to an Ebola outbreak in West Africa in 2014,2015, epidemic disease policies and experimental vaccines.

And crucially, these communications refer to the censorship of information on this topic using criminal means to silence and imprison me.

It is established the letter of ECP Juncker appears as evidence in them because the motive for the crime was to censor information to policy makers also UK MPs.
